MAKING THE COMPLEX SIMPLE

SPEND 3 FULL DAYS WITH NATIONALLY KNOWN COACH Ron Clifton

Ron Clifton has a gift for teaching the sport of bowling in "easy-to-understand" terms and is well known across the US for his unique and effective training techniques. These unique teaching methods allow students to reprogram stubborn muscle memory; usually the biggest obstacle to improvement.

Ron recognizes that every bowler is different and does not apply the "cookie cutter" approach to his coaching. Ron has worked with bowlers at every level, from PBA Hall of Fame to the newest league bowler. Every bowler gets taught at their own skill level.
